## Description détaillée :

Johnny Vac now offers Kenmore replacement parts since Sears Canada officially closed all of their stores. We settled an agreement with Sears Canada to rebuy all of their replacement parts for central vacuums, upright and canister vacuums cleaners of their home brand Kenmore.

If you cannot find the replacement part for your Kenmore Vacuum, please contact us, the chances are that we have the part you need in our inventory but is still not showing (or is a particular order) in a specific vacuum schematic (exploded view).

Parts lists included in this Central Vacuum Unit

- Kenmore Central Vacuum Power Unit #108-34011
