Silent - 2-Fan Motor - 700 Airwatts - 5 gal
(19 L) Tank Capacity - Wall Mount Bracket
- HEPA Bag - Foam Filter

Codes :

Reference: JV700C
EAN13: AJV700CA
UPC: 628383319269

Description détaillée :

Built and designed in Canada, the **Johnny Vac JV700C** is perfect for house up to 10,000 square feet.

Soundproofing provides a quiet operation, the noise level is only 62 dB. You can add up to 3 inlets and a vacpan to this device without losing power.

The reversed tank ensures that the bag replacement is easy. Also with reversed suction the dust is better compacted inside the bag.
