

# Manual Floor Sweeper - Johnny Vac - 32" (81.3 cm) Cleaning Path - 2 Side Brushes - Tank of 10.5 gal (40 L)

## Description :

## Codes :

Reference: JV320

EAN13: A70

UPC: 628383449942

## Description détaillée :

The JV320 is a manual floor sweeper with side brushes. The worker who pushes this sweeper activates the side brushes which get the waste towards the roller brush located under the device. The main brush then pushes the waste in tank. This manual floor sweeper is ideal to clean large spaces such as parking lots or a schoolyards. Handy and easy to push, the handle has three positions for all sizes. Entirely propelled by the worker, this manual floor sweeper is good for the ecology.
