

# Synthetic String Mop Replacement Head - Large (24 oz / 680 g) - Blue - Attax ® Pro

## Description :

This mop head is made of synthetic fibers and is ideal for general cleaning of your floors. Its dark blue color allows debris and dust to not be too apparent when used in public spaces.

This product is designed for commercial use. Its narrow strip and bangs allow for optimal absorption, leaving your floors clean on the first try. All our mop heads are machine washable.
