Description détaillée :

Our exclusive line of Galaxy™ 2000 12 gallon portable carpet extractors are powerful, compact and comes “heat-ready.” It comes with 3-stage motors, which are capable of delivering between 250 and 500 PSI of power and with the dual tanks, emptying is easy. The unit comes equipped with four wheels and a push handle. The front wheels swivel around, so the unit maintains extreme maneuverability at all times. Moreover, you can purchase any Galaxy™ “heat-ready” carpet extractor without the heater, if you can change your mind, just order our external heater. You will then be ready to deep clean carpets with on-demand heat and unmatched cleaning power.

Features

- Patented 4-wheel design makes turning in tight places easy and balances total weight, even when full of water, for easy maneuvering
- 50' Detachable cord makes it easy to drop the cord and wheel the machine to a drain or toilet for emptying

-
- Patented dual lift-off buckets make it quick and convenient to empty
 - Patented self-adjusting, self-leveling brush for superior cleaning of all carpet lengths and uneven floors
 - Fully adjustable handle for greater operator ease, increased leverage on stairs and thigh places
 - Solution pressure between 250 and 500 PSI
 - Vacuum Motors 3-stage
 - Dimensions 35" H x 31" L x 19" W

Includes

- Adjustable handle for easy transportation
- Non-marking 10" rear wheels
- 4 non-marking and locking 4" casters
- Solution Tank 12 gal
- Recovery Tank 11 gal
