Description :

Carpet Extractor 17", EDIC 701PS,
Adjustable Handle, 7 gal. Tank

Codes :

Reference: ED701PS
EAN13: 701PS
UPC: 628383631255

Description détaillée :

The EDIC Polaris is a carpet extractor that we discovered at the recent ISSA Show last fall! We were impressed by the power that this slim machine possessed and it's overall performance was outstanding. The Polaris has both wide open spaces that depend upon productivity to get the job done quickly as well as for places that are sound-sensitive because it has a built-in silencer to keep it's noise level down to a minimum.

Features

- Patented 4-wheel design makes turning in tight places easy and balances total weight, even full of water, for easy maneuvering
- Detachable cord makes it easy to drop the cord and wheel the machine to a drain or toilet for emptying. Patented dual lift-off buckets make it quick and convenient
- Patented self-adjusting, self-leveling brush for superior cleaning of all carpet lengths and uneven floors
- Fully adjustable handle for greater operator ease, increased leverage on stairs

- and over curbs plus compact storage
- Side extension for cleaning right to baseboards
- Upright-mounted vacuum plus intercooler system extends motor life
- See-through recovery dome

Includes

- Adjustable handle for an easy transport
- 4 wheels non-marking of 7"
- Tank 7 gal
- Smart 2-screw accessto the equipment bay for easy service & maintenance
- Device for chemical products
- 5 year warranty
