EAN13: 500BX-HR

UPC: -

Description détaillée :

Our exclusive line of Galaxy™ 5 portable carpet extractors is powerful, compact and easy to move around. The ED500BXHR comes with a 3-stage motor, a pump capable of delivering 120 PSI of pressure and 2 separate tanks. The unit comes equipped with four wheels and a push handle. Built to accept external heater, the unit comes quipped with four wheels and a push handle. The front wheels swivel around, so the unit maintains extreme maneuverability at all times. EDIC Galaxy™ 5, the obvious choice for car detailing and small jobs.

Features

- No drip motor cavity guarantees water spilled on the outside of the machine stays out.
- Opens quickly like a clamshell for fast and easy servicing.
- Upright-mounted motor along with a special intercooler guarantee long life and durability.
- Full complement of optional accessories attaches to the back of the unit for cleaning upholstery, stairs, etc.
- Silencer system for quieter operation.

- Handle folds down for easy transport and storage.
- Available and sold separately - heater of 2000 watts, stainless steel.

Includes

- Non-Marking 7" (17.8 cm) Rear Wheels
- Front Caster Wheels 2.5" (6.4 cm)
- Solution Tank 5 gal (19 L)
- Recovery Tank 4 gal (15 L)
