Description détaillée :

Saniblend Disinfectant Cleaner is confirmed by Health Canada to be effective against SARS-CoV and eliminates SARS-COV-2 (the virus causing COVID-19) in 1 minute. With its lemon scent, this product cleans, deodorizes, and disinfects surfaces. It also acts as a fungicide, virucide and tuberculocide, while controlling molds. Use it on your counters, your door and cabinet handle as well as in the bathroom. Safeblend cleaning products are advanced cleaning solutions designed to provide a safer alternative for the environment and for you. Characteristics

- Lemon Scent
- To Be Used Against the Coronavirus
- Cleaner, Deodorizer and Disinfectant
- Mildewstat
- Fungicide, Virucide and Tuberculocide
